PARIS TONIGHT

Will Play the Boy's Basketball Team
of the Mayville High School—
Girls Go to Augusta.

The basketball team of the Paris High School will arrive in this city this afternoon and will engage with the Mayville team in the auditorium of the High School building. The game promises to be a very interesting one.

On last Friday night the local team journeyed to Paris and were defeated by the team there by the score of 23 to 18. This was the first defeat the boys had suffered on a foreign floor and the second defeat of the season. However they are expecting to come back strong tonight and to easily defeat the Paris boys. The line-ups will probably be as follows:

Mayville—Everett and Brown, forwards; Wood, center; Downing and Bowman, guards.

Paris—Hayden and Burnett, forwards; Lavin, center; Ilee and Connell, guards.

The girls team of the local High School will journey to Augusta to- night to play the girls' team at that place. On their trip here the Augusta girls were defeated by a score of 54 to 1. This is the second game to be played by the girls' team. They have a schedule which calls for games with some of the most important schools in northern Kentucky and as they have a very strong team they feel confident of winning a majority of their con- tests.

Mr. A. J. Boyd, second trick opera- tor at the C. & O. depot, has been called to Cynthiana on account of the serious illness of his brother, Dr. William Boyd. During his absence his position is being filled by Mr. John Darnell of Concord.

Mrs. A. F. Respass, who has been visiting her mother, Mrs. John W. Watson, of West Front street returned to her home in Frankfort yesterday.

MAY SUCCEED REVILL

Mr. Clarence L. Wood of this City is
Thipped to Step Into Shoes of Re-
signed Deputy State Banking
Commissioner.

According to a dispute received from Frankfort Mr. C. L. Wood of this city is tipped to succeed Mr. Rankin Revill of Covington as Deputy State Banking Commissioner of Kentucky.

Mr. Revill has resigned to accept a place with the National Bank of Commerce in New York City, one of the largest institutions in that place. The position of Deputy State Banking Commissioner is appointive by Governor Stanley and as Mr. Wood stands high with the administration it is more than likely that he will be chosen for this responsible position. Mr. Wood is one of the leading Democrats in this county and is a splendid gentleman in every respect. Without doubt he would fill the place in a most excellent manner and we know of no other man in the state we would rather receive the appointment.

BURGEN & BROTHERS

Of Louisville Proceed to Roast Mays-
ville in a Very Interesting Manner
In Col. Hiram Duley's Organ,
The Flemingsburg Times.
Democrat—Reply by
Mr. Boone.

The article appended appears in this week's issue of the Flemingsburg Times-Democrat.

We do not know who Burgen & Brothers are, and we do not vouch for the truth of the statements made in the communication printed below. If they are true the good people of that town ought to remedy the evils com- plained of. If they are not true the people of Maysville will know it. As a public journal the Times-Democrat will give the Maysville men attacked an opportunity to be heard within a reasonable limit of space. The com- munication was mailed from Louis- ville, postmarked on January 15, and is as follows:

To the Editor of the Times-Democrat, Flemingsburg, Ky.
I am taking the liberty of reaching the people of Maysville through the medium of your valuable journal, for the reason that it will not be possible to reach them through their own papers, on account of certain interests that control them. My associates and myself have been looking over the different towns on the Ohio river be- tween Newport or Cincinnati and beyond Portsmouth. We find that there are not better factory sites to be found along the river than can be found at Maysville. The city has a long water front, advantages of two railroads, electric gas and electricity, and a good electric car line. But the high cost of living and the extreme price asked for coal, prevents us from locating in Maysville. The cost for provisions and more especially for coal, is higher than in any town along the Ohio river. I find that there is a combine to put coal up to the highest price. Upon in- vestigation among the dealers I found coal running in price from 26 to 30 cents a bushel in Maysville. It can be bought in other towns at a much lower price, ranging from 14 to 19 cents a bushel. At a little town outside of Maysville, called Helena, I was offered coal in any quantity at 15 cents per bushel. Coal in Cincinnati, Newport, Covington and Portsmouth is selling for \$3.75 to \$4.50 a ton. The same coal is selling in Maysville from \$6.00 to \$7.50 per ton. Provisions, butter and eggs are also selling at a greater price than in any other town along the Ohio. When we look for a factory site, we must select one that will not only benefit us but also our employees. Even if the site suits us, and the cost of provisions and coal is high, we do not locate.

Maysville people stand in their own light. Certain interests control not only the best factory sites, but they are interested in all the industries. All the officials are engaged in mercantile pursuits, and they deem it to their in- terest to keep prices high. The town has an excellent Chamber of Com- merce but the hands of a Secretary are tied and his usefulness is nil on ac- count of the conditions mentioned. We are afraid it will be hard to secure a competent secretary to come to the town; if they get one, he will soon become disheartened and will accept the first good position offered to him.

The Mayor of Maysville has the op- portunity of his life to endeavor him- self to the heart of his people by endeavor- ing to get cheap coal for his people. He will be able to do it. The Mayor of Evansville did it. Coal is selling for 11c a bushel in that town, and the price was secured by the Mayor. This coal came to Evansville in barges that passed in front of Maysville. It is only a short haul from the mines to Maysville, and coal should be pur- chased much cheaper than it can be at Evansville, Cincinnati and other points on account of the lower freight rate. So far as we are concerned we can- not locate in Maysville on account of the high cost of coal especially. Through this Maysville will lose a large factory which employs over 150 hands. We at first wondered why so many excellent factory sites were not taken up. We know now.

BURGEN & BROTHERS.

The following is a copy of the let- ter sent to Mr. Duley by Mr. Thomas P. Boone, secretary of the Chamber of Commerce:

January 18th, 1917.
Editor Hiram Duley,
Flemingsburg, Ky.

My Dear Sir:
We are in receipt of a copy of the same letter that you received, signed Burgen & Brothers, taking a rap at Maysville conditions.

We do not place any confidence in this letter, but will say, that if the parties who wrote it will establish themselves as responsible people, we will take great pleasure in "taking a fall" out of every complaint they have uttered in their letter.

Until such responsibility is estab- lished no further consideration will be given the matter.

With best wishes for the Flemings- burg Times-Democrat, we are,
Very truly yours,
THOMAS P. BOONE,
Secretary and Manager.

DELIGHTFUL MUSICAL PROGRAM

A delightful program was rendered by the pupils of Miss Moore's music class Thursday evening at the studio at the corner of Limestone and Second streets. Miss Amelia Hendel Childs played with taste and fine tone a spin- ning song by El Merleide and a Lullaby by Connyey. Miss Elizabeth Barbour repeated her former reper- tory and played splendidly three etudes by Hiller. Miss Nan Chonault played with individuality and style "Recollection of an Exile by Concone. Song without Words by Mendelssohn and a Minuet by Beethoven.

BREAKS COLLAR BONE

Mrs. William Slack of West Third street, mother of Coroner Charles Slack, suffered a very severe accident on her home yesterday. While going up some steps leading from the yard into the house she slipped on some ice and fell, breaking her collar bone. The accident was quite painful but it is not thought that there will be any serious inconveniences from the injuries.

MR. CLIFT GETS BAD FALL

Mr. S. E. Clift was severely injured by a fall at the Home Warehouse yester- day. He is thought to have sustained a fractured rib.

Mr. W. W. Wilkoff, local agent of the C. & O. railway, attended a meeting of agents of the road at Ashland on Wednesday night.

MR. JOHN CRANE DIES

At His Home on East Fifth Street at
An Early Hour This Morning Fol-
lowing a Long Illness—Was
Civil War Veteran.

Mr. John Crane, one of this city's most respected citizens died at his home on East Fifth street this morn- ing at 1:15 o'clock following an ill- ness of about 13 months of heart trou- ble. Mr. Crane had also suffered sev- eral strokes of paralysis, the last be- ing on last Thursday, January 11. In addition during his last illness he was suffering from pneumonia.

Mr. Crane was born in this city in 1836 and spent practically all of his life in this city. He was the son of Paul and Wilfred Crane. In 1861 he enlisted with the union forces in the Civil War and served two terms as a cavalryman, being a member of Com- pany 1, 55th volunteer Kentucky Cav- alry. Following the war he returned to this city and began work as a con- tractor. He followed this profession for 45 years. In 1906 he formed a partnership with Mr. Dan Shafer in the wallpaper and paint trade, in which business he has since been con- nected.

Mr. Crane was married on January 8, 1874, to Miss Emma Davidson of Maysville. To them were born four children, two of whom survive, Mr. Charles L. Crane and Mrs. John Power of this city.

Mr. Crane was a faithful member of the Third Street M. E. Church. He had a pleasing personality that won him friends everywhere he went and he was noted for his integrity and honesty. His many friends will hear with regret of his death.

The funeral arrangements have not been fully made as yet, but will prob- ably be held Sunday afternoon from the home. Burial will be made in the Maysville Cemetery. Fuller an- nouncements of the funeral arrange- ments will be made in tomorrow's Ledger.

LAURANT, THE MAGICIAN

Laurant and Company, magicians, who are to be in Maysville Monday evening, January 22, appeared less than three weeks ago at Carrollton, O. Here is what Paul Kemmer of the Free Press-Standard wrote the Red- path Bureau the next day:
"The fellow Laurant came, saw and conquered. He made big and he made good and he made 'em all happy. He can get across on any course or I'm a 'goot' right. His performance is a real Lyceum building attraction. Great is Laurant, the Great, and long may the great Laurant live, and delight the thousands. We had a door sale of \$82.80 for him, besides season tickets." Reserved seats at Williams' Drug Store.

"PEARL OF THE ARMY"

Starting today and every Friday the popular star of "The Iron Claw" Pearl White, will appear in the new serial "Pearl of the Army" Also "The Girl From Frisco" and a good western comedy will be shown today.

Clothes Talks.

As has been our custom during this month for many years, we are making generous price concessions on all merchandise rather than carry it over. Of course, this may seem rather phenomenal this season, in face of soaring prices and the uncertain condition of the woolen market, yet we are going to adhere to our old custom, and give you the opportunity to supply your wants from our dependable merchandise at reduced prices.

Now is the time to get a good suit or overcoat—one that you can wear the rest of the sea- son and have perfectly good for next. And let us give you another tip: We may not be able to guarantee the merchandise next season like we do this. So in face of all these conditions we advise that you buy now, as we offer such generous reductions.

FREEDOM OF SPEECH THREATENED

Civilization is based on education, and education on interchange of ideas. Any corrupt practices act that curtails the right of citizens of organizations of citizens to interchange of ideas, expression of thought, or promulgation of doctrine, strikes at the very life of desirable and successful popular government.

There can be no question as to either of the validity or the desirability of Federal government guarding the purity of elections of Federal officers. Such legislation, however, should be clearly within the scope of authority conferred upon the Federal government.

The desire has been expressed that the corrupt practices act 'shall have teeth in it.' So far as that expression conveys a desire that the act shall be of practical effect in the attainment of its legitimate objects, there can be no ground for controversy, out of those who use that expression mean thereby that the law should be framed in such language or drawn in such indefinite scope that the 'teeth' shall be a constant irritant and menace to citizens who are pursuing legitimate lines of activity, then the over-enthusiastic advocates of Federal control over elections are asking what will not be promotive of the best interests of free government. As between the corrupting influence of a few political workers on the one hand, and the officious dictation of partisan prosecuting officers clothed with a broad and vague authority, on the other, there is little choice. No citizen can be corrupted unless he so desires. There are few indeed who can be improperly influenced. But from the power of the partisan prosecuting officer who has the government at his back, the citizen has no protection unless his rights and duties are clearly and fully defined in the statutes.

The goal of a desirably and efficient corrupt practices act should be the elimination of the corrupt use of money either in the election or the defeat of individual candidates, but certainly should not be the curtailment of the discussion of ideas either by individuals or organizations desirous of promulgating their views as to the strength or weakness of pending issues.

The proposed State Committee amendment to House Bill 15,482, framed as its language reads, limits the scope of political discussion of every newspaper and periodical, the Protective Tariff League, the Tariff Reform League, the Equal Suffrage Association, the Association Opposed to Equal Suffrage, the Anti-Saloon League, farmers' unions, labor organizations and all other organizations conducting campaigns of propaganda upon subjects of that teach the doctrine of either protection or free trade.

Instead of curtailing discussion, a desirable corrupt practices act should invite and encourage every possible honest discussion of public questions, whether by circular, newspaper or public speech, but protect candidates from vilification and misrepresentation. How money shall be spent, is more important than how much shall be spent.

Eternal vigilance is as much the price of liberty today as it ever was, and no law should be placed upon the statute books abridging freedom of speech or of the press.

When the manufacturing and the business interests of the country read the plea of the President for "justice with a heart in it" they will no doubt reflect on the reception they were accorded when they plead for their very existence during the consideration of the Underwood bill being characterized as "conspirators" and "selfish lobbyists," and were told to go home and mind their own business, and that they were ignorant of business, or words to that effect.—Wheeling Intelligence.

Women of Middle Age

Many distressing Ailments experienced by them are Alleviated by Lydia E. Pinkham's Vegetable Compound.

Here is Proof by Women who Know.

Lowell, Mass.—"For the last three years I have been troubled with the Change of Life and the bad feelings common at that time. I was in a very nervous condition, with headaches and pain a good deal of the time so I was unfit to do my work. A friend asked me to try Lydia E. Pinkham's Vegetable Compound, which I did, and it has helped me in every way. I am not nearly so nervous, no headache or pain. I must say that Lydia E. Pinkham's Vegetable Compound is the best remedy any sick woman can take."—Mrs. MARGARET QUINN, Rear 259 Worthen St., Lowell, Mass.

She Tells Her Friends to Take Lydia E. Pinkham's Remedies. North Haven, Conn.—"When I was 45 I had the Change of Life which is a trouble all women have. At first it didn't bother me but after a while I got bearing down pains. I called in doctors who told me to try different things but they did not cure my pains. One day my husband came home and said, 'Why don't you try Lydia E. Pinkham's Vegetable Compound and Sanative Wash?' Well, I got them and took about 10 bottles of Vegetable Compound and could feel myself regaining my health. I also used Lydia E. Pinkham's Sanative Wash and it has done me a great deal of good. Any one coming to my house who suffers from female troubles or Change of Life, I tell them to take the Pinkham remedies. There are about 20 of us here who think the world of them."—Mrs. FLORENCE ISLELL, Box 197, North Haven, Conn.

EAST AND WEST HIGHWAY PROPOSED FOR KENTUCKY

Frankfort, Ky., January 17—A trunk line public highway from the Mississippi river to the Big Sandy river may be constructed through Kentucky with the money furnished by the Federal Government. This trunk line would be cut by lateral trunk lines, six in number, giving Kentucky the most complete system of highways of any state in the Union.

The Secretary of Agriculture at Washington asked Rodman Wiley, Commissioner of Public Roads, for a scheme for using Federal aid which comes to Kentucky under an act passed by the last session of Congress. Realizing that there has been projected four or five North and South Highways, Commissioner Wiley decided that an East and West Highway was most desirable. This highway would extend from Weikliffe in Ballard County to Ashland in Boyd County.

If the entire federal aid apportionment is not used up in the construction of this East and West Highway, Commissioner Wiley is in favor of next building a road extending from Henderson to Hopkinsville; third from Bardonia to Louisville; fourth from Winchester to Whitesburg and thence to the Virginia line; fifth from Covington to Lexington; sixth from Lexington to Middleboro and thence to the Tennessee line and seventh from Ashland to Pineville. All of the projects intersect the main East and West highway. It will require three or four years to complete the East and West highway, and nothing will be done on the other projects until the main line is completed.

In 1914 the Legislature of this State, realizing the possibility of the Federal Government extending aid to the Public Roads, passed a law which allows the State Commissioner of Public Roads, with the approval of the Board of Sinking Fund Commissioners, to co-operate with the Federal Government in whatever way prescribed by the United States law to the end that Kentucky States law to the end that Kentucky might receive her full quota of Federal aid.

The last session of Congress passed a bill extending Federal aid to the various states of the Union, and one of the terms of the law is that the money must be expended through a state highway department. In other words, that is the smallest unit that the Government considers in the administration of Federal aid. Apportionments are made to the various states on the basis of population, area and number of miles of roads, and, on this basis, Kentucky was allotted for 1916 something over \$97,000 and for 1917 about \$195,000, and in a period of five years, which covers the Federal Aid Road Law, Kentucky will receive something like \$1,420,000.

It is the aid of the Department of Public Roads to figure out a scheme whereby all of the counties of the State will be benefited by Federal aid, even though the road does not pass through that county. This will be done by figuring Federal aid in conjunction with State aid, which will mean that the road fund will be increased over previous years and other counties will receive more State aid apportionment than they have previously received.

Commissioner of Public Roads Wiley believes that it would be unwise to try to apportion the Federal aid to the various counties and a better scheme would be to expend the money on some trunk line road. These trunk line roads will pass through the best sections of the State.

IRONTON COLORED PEOPLE DEMAND EQUAL RIGHTS WITH WHITE CITIZENS

According to reports from Ironton that city is much wrought up over the demand made by some of its prominent colored citizens that they be permitted to attend the motion picture shows, be served at the restaurants and soda water fountains, etc., on equal footing with the white citizens of the city.

It is said that a few days ago several of the colored people walked out one of the city's most popular refreshment stands and ordered drinks but that one of the proprietors informed them that there was nothing doing what they were thinking about.

Some of the members of the colored race also demanded of the proprietor of one of the theaters that he permit them to buy tickets to the show and to make use of the same, but he, too, declined the request and when one of the committee who had enlisted to test the question objected on the ground of race discrimination the theater man asked him why he did not have colored men in his barber shop, which is patronized by prominent white men.

It is said that the colored people may make a test case of the refusal of the theater man and the refreshment stand man's refusal to serve them.

JUDGE FOR YOURSELF

Which is Better—Try an Experiment or Profit by a Maysville (Ill.) Experience.

Something new is an experiment. Must be proved to be as representative. The statement of a manufacturer is not convincing proof of merit. But the endorsement of friends is. Now suppose you had a bad back, a lame, weak, or aching one. Would you experiment on it? You will read of many so-called cures.

Endorsed by strangers from far-away places. It's different when the endorsement comes from home.

Easy to prove local testimony. Read this Maysville case: Ben. P. Fleming, constable of Mason Co., 217 E. Lee St., Maysville, says: "I have used Doan's Kidney Pills off and on for several years, getting them at Wood & Son's Drug Store, and they have been of great benefit. At times, my kidneys have been out of order and I have suffered from a dull, constant ache through the small of my back. The kidney secretions have been irregular in passage, too. A box or so of Doan's Kidney Pills have never failed to relieve me of the complaint in a short time."

Mr. Fleming is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mr. Fleming had—the remedy backed by home testimony. 50c all stores. THREE KENTUCKY COMPANIES ORDERED HOME FROM BORDER

Frankfort, Ky., January 17.—Three companies of the National Guard from Frankfort, Hopkinsville and Louisville have been ordered home from the Mexican border by Secretary of War Baker. Governor Stanley re-

quested that these companies be returned for home guard duty following the mob trouble at Murren last week.

"FAGGED-OUT" WOMEN

Will Find a Helpful Suggestion in This Letter.

Overworked, run down "fagged out" women who feel as though they could hardly drag about, should profit by Mrs. Carter's experience. She says:—"I am the mother of six children and I got so weak and run-down that I couldn't eat anything and it seemed almost impossible for me to get around and do my work. I tried different doctors' remedies without benefit. I saw Vinol advertised and decided to try it, and received so much benefit from the first bottle that I continued to take it, and it has built up my strength and made me strong and well. I consider Vinol the best medicine I have ever taken, and advise all weak, run-down women to try it." Mrs. Besse Carter, State Road, N. C.

If all the tired, overworked, run-down women in Maysville could only realize how our delicious Vinol, which contains beef and cod liver peptones, iron and manganese peptones and glycerophosphates, supplies the vital elements necessary to build up blood and strength, we wouldn't be able to supply the demand. \$250,000,000 BRITISH LOAN TO BE FLOATED BY J. P. MORGAN

New York, January 16.—Another new British loan, amounting to \$250,000,000 will be floated in this country, by J. P. Morgan & Co., that banking firm announced tonight. This is the third flotation, including the Anglo-French, of British loans in the United States since the outbreak of the war.

The new loan, secured by high-grade collateral, will take the form of 5½ per cent convertible notes, paid up February 1, 1917, \$100,000,000 to mature in one year and the balance in two years, according to the announcement.

CALIFORNIA VOLCANO SPOUTS ARCH OF SMOKE 125 MILES

Montgomery Creek, Cal., January 17.—Lassen Peak erupted today with great force, showering ash-like ejecta over its snowy slope and spouting a cloud of lanky volcanic smoke that arches westward 125 miles.

Telephone reports from Hat Creek Valley, which was nearly wiped out in May, 1915, by a flow of bounding mud from the volcano, said all was well there this time.

HIG POWERPLUS MODEL HAS SEVERAL REFINEMENTS

The 1917 model of the Indian Powerplus Motorcycle has arrived and is now on display at the Indian Motorcycle and Bicycle Co., this city.

The attention of local devotees of the popular two-wheel pastime has been attracted to the several new features which appear, a good crowd having been present at the store continuously since the big Indian was removed from his crate.

The 1917 Powerplus model of the Indian comes out this year with five big refinements which have already won the approval of those who have admired its classy lines or witnessed its remarkable demonstrations of power and speed.

Chief of these improvements is the new Triple Stem Fork which more than doubles the strength and affords a secure double anchorage for the adjustable handle bar. The frame is also greatly strengthened by the new drop forged webbed head construction and tubing reinforcement.

The enlarged gasoline tank with a capacity of nearly four gallons is another distinctive improvement, and one which adds materially to the appearance of the new Indian.

A great improvement in the gear shifting arrangements in which the shifting lever operates directly, pivoting from the seat post cluster. This eliminates considerable lost motion common to other gearshifting devices, and makes the action easy, quick, and positive.

The change in the 1917 Indian which will doubtless attract the most attention is the departure in finish. This is a choice of two colors will be referred. The conventional Indian red is offered this year with the addition of a neat black panel striped with gold which adorns all flat exposed surfaces. It is a notable improvement in the appearance of the Indian, lending a dignity and grace to the lines of the whole machine which the plain red could not impart. The second choice is the olive drab finish, likewise striped in black and gold, for which many riders have expressed a preference.

The Powerplus Motor which was such an astounding success in the 1916 season comes out in the 1917 model with only minor changes. It is once again the same powerful, silent, smooth-running, master-motor which proved itself so thoroughly last year. It develops from 16 to 18 horsepower, and is capable of speeds carrying from 3 to 70 miles per hour. Economy of operation is the added charm that Powerplus can truthfully claim.

With its new features, its Powerplus motor, and new dress-up, the 1917 Indian will prove one of the most popular models of the new season.

A Suggestion

Tobacco Growers

Nothing, in our opinion, is so seriously effect the present satisfactory prices of Tobacco as the over crowding of the market.

Our advice to you is, bring each wagon load to market just as soon as you get it ready. Don't delay until you get your whole crop, or the most of it stripped. To do so will be a mistake.

A steady market is always better than a glutted one. Don't get too much here at once. As our house is the largest, we are helped most by a rush; but, we know that what is not good for you is not, in the long run, good for us.

We Are For What Helps Everybody Most

That is the reason we so carefully sort and handle each crop of Tobacco before offering it for sale.

Bring each load, as soon as ready, to the

TEN MORE of THEM

These are ten more great artists photographed as they were singing or playing in direct comparison with Edison's Re-Creation of their art by means of his greatest invention.

The NEW EDISON

This is the wonderful new musical instrument of which the New York Tribune said, "Edison Snares the Soul of Music." It is a positive fact, which has been proved in public before more than 300,000 music lovers, that an artist's voice or instrumental performance cannot be told from the New Edison's Re-Creation of it.

COME TO OUR STORE and let us prove to you that the New Edison is capable of doing what no other sound-reproducing device can do. When you listen to an ordinary talking machine, you don't expect to hear a true reproduction. You make allowances for the fact that you are listening to a talking machine record. It is not necessary to make any such allowance when you listen to the New Edison, as this new invention gives you literally the Re-Creation of the original music. Nothing is subtracted. Nothing is added.

NOTICE:—Please don't ask us to sell you Edison Re-Creations if you intend to attempt to play them on any other instrument than the New Edison. No other instrument can bring out the true musical quality of Edison Re-Creations. Furthermore, inquiry to the records is likely to result if you attempt to play them on an ordinary phonograph or talking machine.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years doctors pronounced it to be incurable. For a great many years doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. BIG REVIVAL

Will be conducted at the Forest Avenue M. E. Church beginning January Fifth Will be conducted by Rev. W. H. Morris of East Ashland, Ky.

Revival services will begin at the Forest Avenue M. E. Church on next Thursday, January 25, and will continue for ten days. Rev. W. H. Morris of East Ashland, Ky., will be the evangelist for the services.

The Forest Avenue Church has been the scene of many great revivals and this old church will ever stand as one among the many that have been effective as a soul saving institution.

The members of the church and the pastor are praying for another old time revival with refreshing spirit.

from the presence of the Lord and expect that many souls will be brought into the kingdom of God.

Mr. Morris will be the evangelist during the entire meeting. He is well known in this city, having been pastor at the Sardinia and Murphyville churches until last conference. He is one of the most successful pastor evangelists in the Kentucky Conference. He is a man of God, a good preacher, and will be able to give the congregation some excellent sermons. Soul-saving is this man's theme as a pastor and he goes after the inner life of a man.

STRONGEST MARKET

Of the Present Season Was Had Yesterday—Market Average for the Day \$17.79 on 901,125 Pounds.

The sales reported yesterday to the Ledger office show that not only were they the largest of the season for any day but that the average was the highest. A total of 901,125 pounds of tobacco was sold at an average of \$17.79 per hundred. The prices ranged from \$8.50 to \$50.

Yesterday was a day of big prices and all of the houses reporting sales had prices above \$25. A basket was sold at the Farmers and Planters bringing \$50 per hundred. The tobacco was purchased by the American Tobacco Co. and was an actual sale. The tobacco was grown by Mr. J. T. Thomas and son of Dover.

The Growers also had excellent sales, 97,595 pounds of the weed bringing an average of \$17.59. A basket raised by Allison and Ravencraft of this county brought \$42 per hundred. The home warehouse came second in the list of high prices, one basket bringing \$45. There were no sales at the Amazon and Liberty. The first sales were held at the latter house this morning.

HAVE YOU A CONVICTION?

The next in the series of talks on the "Christian and His Duties" which are being given on Sunday evenings in the Christian Church will be "The Christian and His Conviction." Many persons have been asked to name some important convictions. Their replies will come through the mail. Any other person who cares to have emphasized any Christian conviction which to his mind is being overlooked in this day, he may mail the same to the minister or hand it to the usher at the church. Some of the subjects yet to be discussed are "The Wife," "The Husband," "The Citizen" and "The Christian and his Health." Any suggestions from the public as to how these should be treated, such as naming to the minister some qualifications of an ideal wife or an ideal husband or your idea of a citizen will be appreciated by him. In this way any person whether he attends church or not may have some influence in directing the thought of these addresses.

Officer Dudley Bloomhoff took McKinley Gooden of Germantown to Glendale, Ky., yesterday to place him in the state reform school. The boy was sentenced to that institution by County Judge W. H. Rice early in the week.

Mr. J. E. Parker, local insurance man, has returned to this city after being in Louisville to attend a meeting of the Directors of the Kentucky Live Stock Insurance Co.

The Woman's Club Card Party will be given this evening. A splendid chance to entertain your friends.

Miss Bess Parry of Washington is visiting Mrs. W. G. and Miss Annabel Lewis of West Second street.

OUR COLORED CITIZENS

Mr. Frank C. Coleman died Thursday afternoon at 3 o'clock at his home in Washington. The funeral will be held Sunday afternoon at 2 o'clock (ann time) from the M. E. Church at Washington with burial in the Baptist Cemetery at that place. The Rev. Mr. Morris will preach the funeral sermon.

Remarkable Success of These Talented

Physicians in the Treatment

of Chronic Diseases

Offer Services Free of Charge

The United States Specialist licensed by the State of Ohio for the treatment of all diseases including deformities, nervous and chronic diseases of men, women and children, offer to all who call on this trip, consultation, examination, advice free, making no charge whatever, except the actual cost of treatment. All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in every city and locality, that at last treatments have been discovered that are reasonably sure and certain in their effect.

The United Directors are experts in the treatment of chronic diseases and so great and wonderful have been their results that in many cases it is hard to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, rheumatism, sciatica, tapeworm, leg ulcers, weak lungs and those afflicted with long-standing, deep seated, chronic disease, that have baffled the skill of the family physicians, should not fail to call. Deafness often has been cured in sixty days.

According to their system no more operations for appendicitis, gall stones, tumors, gonor, piles, etc., as all cases accepted will be treated without operation or hypodermic injection, as they were among the first in America to earn the name of "The Great Surgeons" by doing away with the knife, with blood and with all pain in the successful treatment of these dangerous diseases.

No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once. Have it forever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off this duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit at this time may help you. Worn-out and run-down men or women, no matter what your ailment may be, call, it costs you nothing. Remember, this free offer is for this visit only.

Married ladies come with their husbands and minors with their parents. Laboratories, Cleveland, Ohio. REMEMBER DATE AND PLACE!
